Author Correction: Understanding phase transitions of α-quartz under dynamic compression conditions by machine-learning driven atomistic simulations

Check for updates

Linus C. Erhard, Christoph Otzen, Jochen Rohrer, Clemens Prescher & Karsten Albe

Correction to: ***npj Computational Materials*** **https://doi.org/10.1038/s41524-025-01542-4, published online 02 March 2025**

In this article, reference 43 was incorrectly given as 'Erhard, L. C., Rohrer, V., Albe, K., and Deringer, V. L.,Modelling atomic and nanoscale structure in the silicon-oxygen system through active machine learning, https://arxiv.org/abs/2309.03587 (2023)' and should have read 'Erhard, L.C., Rohrer, J., Albe, K. et al. Modelling atomic and nanoscale structure in the silicon–oxygen system through active machine learning. *Nat Commun* **15**, 1927 (2024). https://doi.org/10.1038/s41467-024-45840-9'.

The original article has been corrected.
